

Syratron is India's premier Hi-tech Electronics Sales representative company. Having established its presence in the Indian Electronics market in 1984, Syratron follows a proactive, futuristic and process driven approach to business generation that anticipates customer needs.

FOCUSED INDUSTRY VERTICALS

Automotive

- MICREL Remote Keyless Entry (RKE)
- DC-DC Converters
- Automotive Ethernet
- ELMOS Ultrasonic Sensors, Pressure Sensors, LED Drivers, USB Charger, BLDC driver, LIN-CAN-FlexRay Interfaces
- Motion Sensor, Rain Sensor
- IRISO Connectors
- SIERRA GSM/GPS Modules

Home Automation & Security

- ELMOS Gesture detection IC, Smoke detector IC
- SIERRA GSM/GPRS/Combo Modules
- TAOGLAS GSM/Bluetooth/Zigbee/GPS/Combo/ISM Antennae
- EM Make 125 Khz/13.56 MHz RFID Solution
- SAFT Batteries
- MICREL RF Wireless ICs

Smart Metering

- SAMES Energy Metering IC
- KG Tech Latching Relay 5A to 200A
- SAFT Batteries
- SIERRA GSM/GPRS Modules
- TAOGLAS GSM/ISM Antennae
- MICREL LDO
- HIB Crystals
- IRISO Connectors

SOLAR

- ELMOS SUN angle Sensor
- 9W/18W Street Light Drivers
- DC-DC Driver
- Microsemi IGBT & Diode Modules up to 400A/1700V

Telecom, Ethernet & Networking

- SIERRA GSM/GPRS/LTE/HSPA+/EVDO/Combo Modules
- TAOGLAS GSM/Bluetooth/Zigbee/GPS/Combo/ISM Antennae
- MICREL LAN Solutions – PHY, Controllers, Switches, IEEE1588 V2, VOIP, ARM based Ethernet SoC. Clock & Timing ICs

LED Lighting

- SEMTRONICS 1W-80W AC-DC Driver
- NATIONSTAR 0.1W,0.2W,0.5W,1W & 3W LEDs & 3W,5W,7W,10W,15W, 25W, 30W,50W & 80W COBs

Corporate Office

Bangalore
203, Copper Arch,
83, Infantry Road,
Bangalore 560 001,India,
Telephone :+91 80 2559 1031/2559 110,
Fax:+91 80 2559 1056/2559 1454
Email: info@syratron.com

Branch Offices

Hyderabad
3rd Floor, Plot No.3,
Goyal Co-Op Housing Society,
Moti Valley, Trimulgherry,
Secunderabad 500015
Telephone:+91 40 4003 8664/4003 8665
Fax:+91 40 4003 8663
Email: info@syratron.com

Mumbai
A-207, Gokul Arcade
Subhash Road, Vile Parle(East)
Mumbai 400 057,India
Telephone:+91 22 2824 6217/ 2824 6218
Fax:+91 22 2839 0909
Email: info@syratron.com

Manufacturer of Electronic inductors, coils, chokes, transformers & other Magnetics. Available in both SMT & Through-hole type for Automotive & Industrial Applications, ACT serves more than 200 OEMs worldwide.
www.act1.com

A German ASIC/Mixed signal IC manufacturer focused on automotive industry. Portfolio includes Ultrasonic sensors/Motion sensors/DC-SERVO-BLDC motor drivers/USB Charger/LED driver/Smoke detector/LIN-CAN-Flex Ray Interface IC/SUN angle sensor/Pressure sensors for Automotive/Industrial segments.
www.elmos.com

Specialized in low power Miniature ICs for consumer, Automotive and Industrial applications, Low power Controller/Bluetooth IC/RTC/125 KHz & 13.56 MHz RFID Readers & Tags/UHF Tags are some of the important products. Applications include access systems/RFID/Security systems/car immobilizer
www.emmicroelectronics.com

Manufacturer of wide range of quartz components like crystal units, crystal oscillators, VCXO's, ceramic and SAW devices, with high and tight specifications to meet all the industrial requirements. HIB is an approved source for Micrel QuickRadio ISM band RF applications like Automotive RKE System, AMR & Home Security.
www.hib.com.br

IRISO is a Leading manufacturer for wide range of connectors including B2B, FPC/FFC, Compression, PIN header, I/F connectors, Socket connectors & customized connectors for Automotive/ Industrial/ Smart grid/ Tele-communication Market.
<http://www.iriso.co.jp/en/>

KG Technologies is a global leader in world class switching solutions for the energy management & Electrical/ Switchgear Protection market. Offers high quality latching Relays spanning from 5A to 200A for both mono-phase & poly-phase purposes.
www.kgtechnologies.net

Micrel is a Leading manufacturer of ICs to support Analog, Ethernet & High bandwidth market. Products includes Advanced mixed-signal, Analog & Power Semiconductors Like DC-DC & LDOs, Clock Management, Ethernet Switch, RF Transmitters & receivers/ Transceivers, Encoders, BLDC driver designed for Enterprise, Consumer, Industrial, Mobile Telecommunications, Automotive & Networking Products.
www.micrel.com

Offers a comprehensive portfolio of semiconductor and solutions for Power, Defense & Security, Aerospace, Communication and Industrial markets. Products includes radiation-hardened and high reliable analog mixed-signal ICs, RF solutions, Discrete components, Small signal products (IGBT, Diode modules, MOSFET modules), AC-DC LED Driver modules, CCFL Inverters, LED Driver Modules for TFTs
<http://www.microsemi.com/>

Nationstar offers LED components : Surface mount chip LED & TOP LED, High Power LED, LED Modules, LED Backlight, LED Display Module etc.
<http://www.nationstar.com/eng/>

World Leader in manufacturing primary batteries with Li-SOCL2, Li-SO2 & Li-MnO2 and Silver based technologies, Rechargeable batteries with Ni-Cd, Ni-MH, Li-Ion & Nickel capacitor technologies to cater Energy/ Transportation/ Telecom/Medical/Marine/ Industrial/Oil & Gas/Railways/Space/Military
www.saftbatteries.com

SAMES is a commercial semiconductor manufacturing facility engaged in design & manufacturing of high performance analog & Mixed signal, Single & Three phase energy metering range of ICs
<http://www.sames.co.za/>

SEMTRONICS is the first Analog IC Design & Manufacturing company in India, Products includes LED Drivers & ICs for Lighting/Automotive Flasher Applications.
www.semtronicsmicrosystems.com/

Sierra is the #1 in M2M Market GSM/GPRS/GSM-GPS Combo Modules with GPRS, EDGE, 2G, 3G, LTE, HSPA+, EVDO Technologies Suitable for all the M2M applications to cater Vehicle Tracking, Security, POS & Handheld devices, Metering, Data Logger, Smart Metering & Automotive Market.
www.sierrawireless.com

Taoglas is Global Leader in design & Manufacture of world class GSM/GPS/Wifi-Bluetooth/ISM Band/ 13.56 MHz/ Combo Internal & External antennas in addition to connector & Cable assembly, Applications include Security/Automotive Tracking/Loggers/Automation/Metering/POS & handheld etc.
www.taoglas.com
